

2006 Artesanos del Pueblo

A Celebration of Folk Art

Artesanos del Pueblo – A Celebration of Folk Art was held at Mission San José last November. *Pamela Bain*, Artesanos Chairman, and her committee planned and executed a spectacular show and sale of local and Central American art and folk art. And, for the first time in years, the weather was not jinxed.

Artesanos kicked off with a Friday evening reception in the Granary and in the tent on the grounds in front of the “Queen.” The inimitable Candy Wagner catered the reception and served a variety of delicious antojitos. The bar, manned by smiling volunteers, offered “home-made” ‘ritas, beer, wine and soft drinks. Numerous artists, artisans and merchants filled the Granary and adjacent Spanish Prefecture demonstrating their skills and beautiful handcrafted items. Other artists exhibited their works of art in the Park’s wonderful new tent.

All in all it was a wonderful weekend of art! Los Compadres is so appreciative of our talented artists and artisans who shared their talent and works of art and we are also very appreciative of the many, many members and visitors who shopped with us to benefit the San Antonio Missions National Historical Park. Kudos to Pamela, the Artesanos Committee and the many wonderful volunteers who helped as “art sales associates!”

Our 2007 Artesanos del Pueblo show and sale will be held at Mission San Jose on Saturday & Sunday, November 3-4 (FREE Admission)
